## Head Teacher's News

### BE CONFIDENT

#### Rocky Steady

Just before Easter the school and parents of pupils involved were treated to a phenomenal rock concert lead by our Rock Steady tutor Rupert. Several of our rock bands treated us to a variety of songs performed by children from years 1-6. This is the first concert I have been able to attend, and these children blew me away! It demonstrated what a fantastic amount of talent we have across the school.

Linked to this, our year 6 are starting to prepare for an end of year performance of 'The School of Rock.'

We are so excited.....more information will be forthcoming over the next weeks.

#### Choral Workshop

On Thursday, Miss Maddock accompanied a group of children to a choral workshop where the children were given specialist music sessions linked to the songs from the Lion King. We hope they all had a great time!

#### Congratulations

A big congratulations to Evie who has successfully auditioned to be part of Birmingham Royal Ballet's production of 'Luna' this October. From over 200 auditionees, Evie has made the final cut of 30 children who will perform on stage at the Hippodrome as a 'Greek chorus' for the new production.

A fantastic achievement Evie!

#### PTA

#### Spring Fayre

Tomorrow the PTA will be hosting our first ever Spring Fayre. Tickets have been on sale on Parent Pay, but don't panic, if you have not managed to purchase before the deadline the PTA will be issuing tickets on the gate.

We are keeping everything crossed that the weather is kind so don't miss out on what promises to be an amazing event for all the family. The doors open at 1pm with the fayre finishing at 5pm. Come along and see for yourself!

#### Staffing Update

I would like to send an official, warm welcome to **Mrs Poole**, our new Nursery teacher who started with us after the Easter break.

We are very pleased to announce the recent appointment of a new member of staff for the role of Pastoral and Behaviour Lead. **Mrs Phelina Parmar** will be starting on Monday 29<sup>th</sup> April. More information will be coming out shortly in relation to this new role.

## BE A LIFE LONG LEARNER

The school office sent out a link to a company called Enduro. The summit learning Trust send a parental survey out across all the academies, collating responses from individual schools and for the Trust as a whole. You should have already received a link to this site. If you could spare 15 minutes of your time to complete this survey, we would be very appreciative. We will feedback to you on the headlines once the deadline of Friday 26<sup>th</sup> April has passed and the information has been analysed.

### New Website

We are happy to announce that our new website will be live on Friday 26th April.

## TERM DATES

### Reminder

### Inset Days - IMPORTANT ADDITIONAL DATE

In addition to the already published inset day dates for 2023/2024 the Summit Trust have asked us to put in an additional date of **Friday 5<sup>th</sup> July 2024**, therefore school will be closed to pupils on this day.

Beehive sent out a correspondence on 13th March in regards to any potential interest in childcare for this date and have found that due to a lack of initial interest this will not be viable so Beehive will be closed.

Please can we remind all parents that holidays should be booked outside of school term time.

## BE RESPECTFUL

### The Marathon and Half Marathon

You may or may not be aware that two of our current staff are keen runners. **Mrs Shipley** and **Miss Gardner** have already and will shortly be running full and half marathons to raise money for different very deserving charities.

**Mrs Shipley** ran London Landmarks Half Marathon on Sunday 7th April - 2 hours 6 minutes for Marie Curie. If you would like to donate please visit her JustGiving Page: <http://www.justgiving.com/fundraising/Amy-Shipley2>

**Miss Gardner** and her partner will be participating in the London Marathon, this Sunday 21st April. She has been training hard for the past 5 months and will be running to raise money for Motor Neurones Disease. If you would like to donate please visit her JustGiving Page: <https://www.justgiving.com/fundraising/chlogards10>

## New Behaviour Policy

Following the introduction of the new behaviour policy and procedures after the February half term, several Stage 2 – red one letters have been sent home to parents. These are logged on our school system, **but we would request that parents complete and sign the form confirming they have been received.**

Our first, new termly behaviour for learning reports went out before the February parents' evenings and I know several parents took the opportunity to discuss these. The next reports will go out in the Summer Term.

I will be holding a staff meeting reviewing the policy and procedures with staff next Tuesday 23<sup>rd</sup> April. If parents have any comments, we would very much like these to be considered. Please can these be sent in via the office email and they will be forward to myself.

## Refurbishment

Since joining the Summit Learning Trust several refurbishment projects have been completed during the February half term and during the Easter holidays. A big thank you to Mrs Powers and Mrs Handley as well as the IT Team at the Trust for all their hard work and organisation. Some of the changes include IT updates, new upgraded Wi-Fi and telephone lines, new server and hardware for pupils and staff. The main corridors and hall have been freshly painted and new carpets in the junior classrooms and corridor. In addition to this the publicity team have worked on rebranding, updating the school signage and website amongst many other things.

We would like to say a big thank you to the Summit Learning Trust and everyone involved.

## BE SAFE AND HEALTHY
